22 SUNDAYS IN THE PARK

Tracy Grammer with Jim Henry 6:00 pm

Tracy Grammer is one of contemporary folk music's most beloved artists. Though she is widely renowned for her springwater-clear alto, perfectly intoned violin, and guitar playing that is by turns percussive and delicate, Grammer's stories, often described as "incantations," add a rare mixture of vulnerability, intimacy, and hard-won insight to Grammer's performances. As one fan puts it, "With Tracy, it's never just about the music; it's a soul journey." \$15 Suggested Donation.
