26 SUNDAYS IN THE PARK

Hayley Reardon 6:00 pm

At the age of 17, Hayley Reardon is already a knowing troubadour. About her latest release, *Blurt Magazine* writes, "Wayfindings makes it clear that her stardom is all but assured." *American Songwriter Magazine* refers to "Numb and Blue," the lead single off of *Wayfindings*, as "a melancholy little masterpiece." With a voice that is distinctively rich and a contemplative sincerity in her songwriting, Reardon has far more in common with Patty Griffin or Lucinda Williams than many of today's young pop singer/songwriters, boasting a lyrical and melodic weight far beyond her years. \$10 Suggested Donation

Ellis' performances are transformational; she leaves her audiences better than she finds them, with softened edges & opened hearts. \$15 Suggested Donation
